2. DISCRETIONARY SELECTION (if applicable)

2.1. Rationale for utilizing discretionary selection (if any):

The rationale for utilizing discretionary selection is to allow the USA Badminton Paralympic Games Selection Group the ability to determine if it will nominate athletes to the Bipartite Commission Invitation qualification slot application period opening 2 April 2024 and closing 30 April 2024. USA Badminton will nominate athletes that meet the criteria listed in Section 2.2 below.

2.2. Define the discretionary criteria to be used (if any):

The USA Badminton Paralympic Games Selection Group will consider the following performance-related factors, which are in no specific priority order:

- The athlete(s) experienced an injury, illness, or other personal factor that impeded or prevented the athlete from competing at any point during the BWF Race to Paris Paralympic Ranking List period.
- The athlete(s) has a performance trajectory that is favorable to future international success.
- The athlete(s) experienced equipment failure, or other external factors, either natural or caused by others, that impeded their performance at an eligible BWF ranking tournament during the BWF Race to Paris Paralympic Ranking List period.

- 2.3. Name of the committee that will be responsible for making discretionary selections, or other decisions/recommendations directly impacting athletes in the selection process, along with a complete list of the members' titles:

USA Badminton Paralympic Games Selection Group:

- Director, Para Badminton – USA Badminton
- Director, Coaching – USA Badminton
- Chief Executive Officer or Interim Chief Executive Officer – USA Badminton
- Athlete Representatives (2)

- 2.3.1. Process that will be used to identify and handle any potential conflicts of interest involving a member of the committee:

All members of the selection committee must comply with the USA Badminton conflict of interest policy (<https://usabadminton.org/about/governance/policies-procedures/>), to include completing and submitting a disclosure form for review by USA Badminton's ethics committee prior to convening the committee.

Any member of the selection committee who has an actual, possible, or perceived conflict of interest must disclose it to USA Badminton's ethics committee prior to the start of the selection process and/or recuse him/herself from the review process and/or voting. A conflict of interest exists when a personal, family, financial, professional, club, team or business interest of the committee member poses a direct or indirect relationship, connection, or affiliation, past or present, with an athlete in contention for the applicable team selection that could compromise the committee member's ability to participate in the selection process in an unbiased manner. If a conflict exists, USA Badminton's ethics committee

shall review the conflict and determine the committee member's level of involvement (e.g., whether that committee member must recuse him/herself from participating in discussions and/or voting). For example, if it is determined that a committee member must recuse him/herself from voting, the ethics committee may still determine that a committee member who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and so long as the committee member with the conflict of interest does not vote toward the final decision. The committee member must not otherwise influence other members of the committee in the selection process.

Additionally, any person (including any potentially impacted athlete or coach of a potentially impacted athlete) with a good faith belief that a committee member has a conflict of interest may report the alleged conflict of interest to USA Badminton's ethics committee. Reports may be made anonymously. No committee member shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest.

Any recused individual shall be replaced in accordance with the USA Badminton selection committee appointment process.
