

## CODE OF CONDUCT

Policy Owner: COO, USA Badminton  
Effective Date: 02/22/2023

### Introduction

The Code of Conduct (the “Code”) provides a foundation for ethical behavior in support of USA Badminton. The Code cannot alone further ethical conduct in our sport; that can only come from the personal commitment of the representatives of USA Badminton (“USAB”). USAB implores all participants to safeguard the sport we love by always acting ethically, and consistently demonstrating the values of USAB.

As the National Governing Body for the Olympic and Paralympic sports of Badminton in the United States, and because we operate in the public spotlight, we are expected to conduct our affairs on a basis consistent with the great trust that has been placed in us. This requires our behavior to confirm to the highest of principals and standards, serving as guardians of the Olympic and Paralympic values, spirit, and ideals.
